REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowance of claims 13 and 26 is the inclusion of the limitations of

"means for connecting (8) the first section (4) to the second section (5) of the wire harness, the connecting means including a terminal carrier (8) and a boot (9a, 9b), the terminal carrier having self-locking means formed as a latching lobe (15) that engages on the cylinder head housing (2) so that the terminal carrier is locked in place, the boot having self-locking means that engages on the terminal carrier, wherein the terminal carrier comprises a terminal and a cover, wherein the terminal comprises a compression spring for exerting a clamping force, and a conductor strip, the second section of the wire harness is permanently connected to the conductor strip of the terminal carrier, wherein wires, with insulation removed, of the first section of the wire harness are detachably connected to the terminal carrier by the compression spring and the conductor strip" in claim 13 and

"fixing the terminal carrier (8) in place on the cylinder head housing (2) by the self-locking mechanism; bringing a second section (5) of a wire harness into contact with an injector (3); connecting a first section (4) of the wire harness to the terminal carrier (8); and fixing the boot (9a, 9b) in place on the terminal carrier (8) by the self-locking mechanism. " in claim 26 that the prior art of record neither taught nor suggested

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
